

BIO

Erica Pascal joined DLA in 2007 and is a partner in DLA Piper's Intellectual Property and Technology practice group, based in San Francisco. Her practice focuses on strategic patent issues for the life sciences industry, including patent litigation as well as patent portfolio analyses for valuations, acquisitions, risk assessments and litigation readiness. Prior to working in law she worked in biotech. Dr. Pascal received her B.S. degree from MIT and holds a Ph.D. in biochemistry/molecular biology from the University of California, Berkeley.
