Welcome to Novartis. We wish you a pleasant, safe and productive time on our site.

Safety Rules & Procedures

Please adhere to all Health, Safety and Environment (HSE) site rules. Report all safety concerns and near misses to 862-778-3100 or 2-3100 from a Campus phone.

Report all injuries to your host. Visitors I.D. badges must be worn at all times.

Emergency Procedures

Be prepared for emergencies. Call 862-778-7777 or 2-7777 from a Campus phone for all emergencies (medical, fire, spills).

In the event a building alarm is activated, immediately leave the building during an evacuation, and never use elevators. Stay with your host and/or other building occupants at all time during an evacuation.

Re-enter the building only after the First Department or Official has announced it is safe to do so.

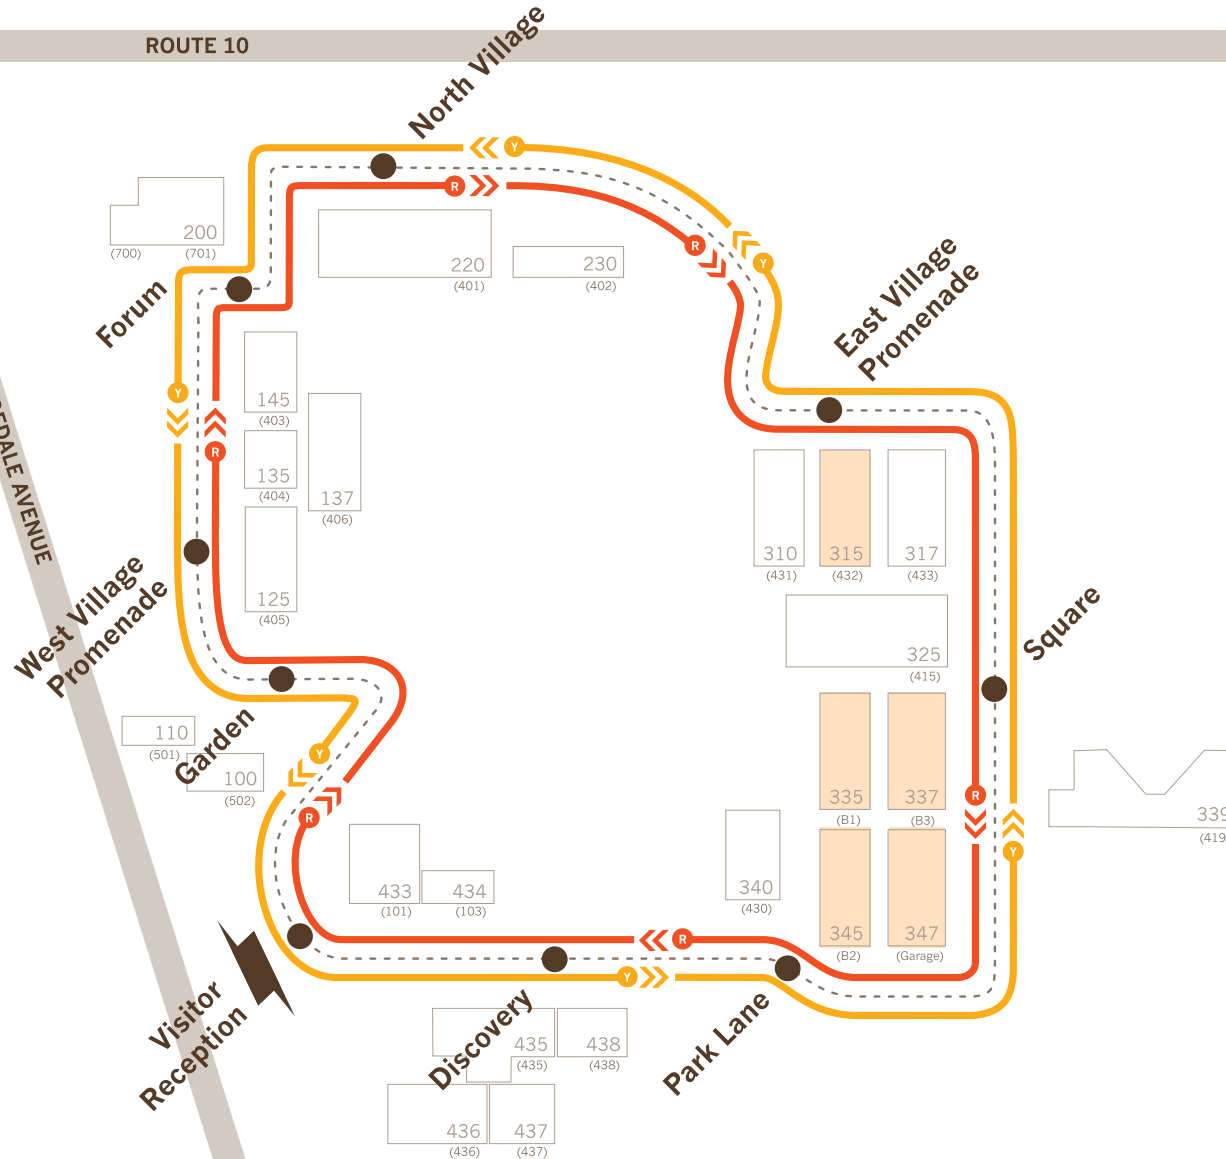

Campus Access /Inclement Weather Procedures

In times when inclement weather conditions exist, employees check one of the Novartis Inclement Weather information sources, prior to their morning commute, to find out the status of the New Jersey sites.

- Call 888-503-3100 or 862-778-8888
- Visit www.NovartisInfo.com

If weather or road conditions in your area are not good, employees should use caution when driving to work and allow extra time. The employee's supervisor or department contact should be notified as soon as possible. Road conditions vary greatly within our commuting region, so please check public announcements for your route.
