

Jennifer Graff, PharmD

Jennifer Graff, PharmD, is the National Pharmaceutical Council's (NPC) vice president of comparative effectiveness research. In this role, she leads research and policy initiatives to advance the use of evidence-based medicine to inform health care decision-making. Prior to joining NPC in 2009, Dr. Graff led strategic health economic and outcomes research activities at MedImmune and Pfizer Pharmaceuticals. Dr. Graff holds a Doctorate of Pharmacy from the University of Nebraska Medical Center, and completed a Health Outcomes and Pharmacoeconomics fellowship at the University of Michigan.
