99 Wood Avenue South  
Iselin, NJ 08830

Linda is a Business Development leader with EY in the Northeast Life Sciences and Healthcare sector practice for the past four years.

Prior to joining EY, Linda spent over twenty-five years in healthcare as a practicing pharmacist and industry executive in various marketing, account management, supply chain, strategy and business development roles.

Linda has been a volunteer leader with HBA for over 14 years serving on the Metro chapter and global corporate board and has received HBA's Luminary and Rising Star Recognition and President's Award. Linda attributes her involvement with HBA as an essential element to her career success.
