

Ubavka DeNoble, M.D.

Corporate Vice President, Patient Technology Solutions/Growth, PAREXEL

In her role as Corporate Vice President, Patient Technology Solutions/Growth, Dr. DeNoble is responsible for bringing to market an integrated set of patient and site technology service modalities to transform clinical trials and post-marketing patient engagement.

Dr. DeNoble will work with her team in the growth units to manage in one place all the go-to-market components, business development, account management, product management and marketing, business and commercial operations.

In her previous role as Corporate Vice President, Phase II/III, Key Accounts, Dr. DeNoble was responsible for the global management of the PAREXEL phase II/III business as well as overseeing the quality, delivery and client satisfaction on key accounts.

Dr. DeNoble worked with her team to identify client needs and develop solutions for projects, leverage expertise, operational capabilities, and technologies. She also identified new business opportunities and helped tailor appropriate strategy.

Prior to joining PAREXEL, Dr. DeNoble was the Senior Vice President, Global Project Management at I3, a therapeutically specialized CRO. Previously, she held several senior executive positions at Kendle, Charles River Laboratories and Inveresk Research Group. Dr. DeNoble earned her M.D. at University of Sarajevo Medical School and completed residency in internal medicine at Naval Hospital Split, Military Academy, in Belgrade, Yugoslavia. She is board-certified in internal medicine.

PharmaVOICE recently recognized Dr. DeNoble for her work at PAREXEL by naming her one of the 2016 PharmaVOICE 100 most inspiring people in the life sciences industry. The honor recognizes her innovative thinking, passion and fervor for the industry, and dedication to mentoring the next generation of leaders. ClinTrials Research recognized her work with a 1998 Top Performer Award. PAREXEL also recognized her exemplary leadership in 2013 and 2014 when she received PAREXEL's top honor, the Executive Committee Leadership Award.
