

Deanna started her career in the financial services industry in 2004 and has provided leadership to teams as well as worked with entrepreneurs for the past 13 years. Deanna has a background in holistic financial strategies, developing women, growing client relationships, strategic networking, and building relationships on multiple levels and these are all aspects of the knowledge and experience she utilizes in interacting with clients. Through Deanna's entrepreneurial and prior corporate background she relates with clients at the level of their current situation to assist them with moving to the next levels of their financial goals and aspirations. A key component of her client interactions include helping others to build wealth while prioritizing today's concerns. Deanna holds securities licenses 6, 63, and 65 and is insurance licensed in Life, Health, and Annuities in Indiana and several other states.
