

Andy Fischer studied medicine before graduating in specialist studies in surgery and emergency medicine and was a physician in the Swiss emergency helicopter service (REGA) until 2006. In 1999 he founded Medgate which he has subsequently led as CEO and as a board member. In addition, he is a board member of the Abu Dhabi Telemedicine Center (United Arab Emirates) as well as Telstra ReadyCare (Australia). Furthermore, he is a member of the foundation board of the Medgate Partner Network. Andy Fischer is a founding and executive member of the Swiss Society for Telemedicine and eHealth (SGTMeH) as well as President of the International Society for Telemedicine and eHealth (ISfTeH). He has been lecturing in Telemedicine at the University of Zurich since 2008.
