

**Lisa Hood**  
**WW Senior HR Director**  
**BD Life Sciences**

Lisa became the World-Wide Sr. HR Director, BD Biosciences in February 2017, moving from New Jersey to California with her husband and two small children. As the global HR leader for Biosciences, Lisa directly leads a team of 9 HR Business Partners and associates with an extended global team of 15. Lisa is a member of the Biosciences World Wide Leadership Team and the Life Science HR Leadership team. In her role, Lisa and her team primarily focus on organizational development, change management, talent development and associate engagement.

Lisa has been with BD for 8 years, starting in the UK before taking on roles of increasing responsibility encompassing Europe and Emerging Markets before moving to the BD Global Headquarters in Franklin Lakes for her first world-wide HR leadership position as WW Sr. HR Director Preanalytical Systems. Prior to BD, Lisa worked as an HR Business Partner for Barclays in their global HQ in Canary Wharf, London and prior to that as a recruiter for Unilever.

Lisa has a BSc in Psychology from the University of Nottingham and is a graduate member of the Chartered Institute of Personnel and Development in the UK.
