

Sondra Leibner

Sondra is a Principal Consultant and Leader of the Organizational Development and Effectiveness Practice with TayganPoint Consulting Group which she joined in 2007. She is an experienced organizational development, change management, communications and executive development professional, known for working with companies to breakthrough organizational dysfunction and create high performance teams and organizations. She has over 25 years leadership Organization Development and Change Execution experience.

Prior to joining TayganPoint, Sondra led large transformational projects in global companies, such as BP, Pfizer, Prudential Financial and AT&T resulting in significant breakthroughs in performance for the enterprises. She has designed and developed large projects involving direct interaction with thousands of employees at all levels. She specializes in building and maintaining high performance teams, executive leadership development, and designing and delivering change management/communication programs. Sondra lives in New Jersey with her husband and 3 children.
