

## **Melissa McLaughlin Bio**

Melissa has worked in Human Resources for the past 18 years. She is presently the Senior Vice President, Human Resources at Agios Pharmaceuticals – a pre-commercial biotech company focused on developing medicines in oncology and rare genetic diseases.

Melissa joined Agios in January 2015 from Expedia, Inc. where she served as Vice President, Human Resources for [Hotels.com](https://www.hotels.com) and the Expedia Affiliate Network – two global Expedia, Inc. brands and led the HR function for EMEA (Europe, Middle East and Africa).

Prior to Expedia, Melissa held human resources leadership roles at Johnson & Johnson, most recently as Worldwide Director, Human Resources for DePuy Spine, a Johnson & Johnson operating company.

Earlier, she served in several human resources positions for The Gillette Company.

Melissa earned a Bachelors degree in human resources management from Boston College, Carroll School of Management and a Masters degree from INSEAD.

Currently, Melissa is leading work with CHREATE (Consortium to Reimagine HR, Employment Alternatives, Talent and the Enterprise) – a global collaboration of 100+ CHROs focused on moving the HR profession forward faster.
