

I started with started with Pfizer in 1991 as a Pfizer Pratt PHR working the Memphis, TN area. In 1992, I was promoted to Institutional Healthcare Representative where I had responsibility for various accounts and hospitals in the Memphis area. I was promoted to the initial training department based in New York in 1996 and in that same year was promoted to District Business Manager in the newly formed Powers Rx division. I worked as a District Business Manager in the Dallas Ft. Worth area and then was promoted to Director of Operations for the Power Rx division. In 2002, I was promoted to Regional Manager based in the Westlake, Texas sales office.

Since 2002 I have held a variety of different Regional Manager Positions focused on a number of disease states with an emphasis on Primary Care. In 2016, I moved over to the I&I business unit to build our Dermatology team and launch Eucrisa. One of my proudest accomplishments was being inducted into the Pfizer Hall of Fame in 2012.

I'm a graduate of Texas Christian University. I enjoy spending time with my wife and three kids, ages 20, 8, and 4.
